Beginning in 2015, devices may submit anytime during the submission week. We request two weeks notice of intent to submit.

Certification submissions of DOCSIS 3.0 based CPE devices (including CMs and EMTAs) made anytime during Submission Week require payment of Base submission fee for that device.

Certification submissions of DOCSIS 3.0 based CPE devices (including CMs and EMTAs) made outside of Submission Week require payment of Flex submission fee for that device.

All Recertification submissions or Certification/Qualification submissions for other device types may be made at any time and do not have separate Base/Flex submission fees
